SUBJECT.

Loan to the Jodidars of Kamasamudrum under the Land Improvement Loans Regulation.

Countermarked

Dn

CHIEF SECRETARY'S OFFICE.

REVENUE BRANCH.

OFFICE NOTE.

SUBJECT. Loan to Jodidars of Kamsandra Village, Maddagere Taluk, under Land Improvement Loans Regulation of 1895

LAST REFERENCE. Letter No. 901 dated 12th May 1894 from ~~Dy Comsr Tumkur Distt~~

The Jodidars apply for a loan of 5000 to restore their Tanks. The Dy. Comr. recommends a loan of Rs 4000/ as the market value of the Village is only Rs. 6000 ~~and as there is a loan of Rs 40 / due on certain Vrittis to Govt~~ As the Jodidars are poor persons he recommends levy of interest at 5 per cent.

4.

2. In 1887 Estimates were prepared and the Zodidars agreed to restore the tanks on condition the money was advanced by Govt as a loan.

3. As the tanks in question were not in a series and as there was thus no danger to Government tanks the loan applied for was not then sanctioned.

4. The present application is based upon the precedents of Tinnelvelly Zodidars who were granted the loan.

Submitted for orders with a copy of Loan Regulations

Total Rs 5243

Note — It is doubtful whether these Estimates would answer present requirements.

VL 13/6/24

Mr — Draft saying that Engr's Report is meagre & inadequate — the Govt have not the Records of the case with them to review the decision but recommend.

The Estimates sent were prepared so long ago that

The reason assigned for a lower rate than the prescribed rate of interest is not clear.

The Govt of the Engr's Report are not a further report to the Govt of India & the foregoing remarks

drafted 6/9/24

important & that there repair was not necessary for the safety of the Govt. tanks below, declined to ⊗ sanction the loan recommended by the Dy Commr.

3. The Inamdars, however, renewed their application on the strength of the orders issued in Govt. Pro: No Camp D No 29 dated 13th December/91 & the Deputy Commissioner in * submitting the same, referred this office to the Rules published under Govt. Notification No D.70 A dated 4th January/92 relating to the grant of loans under the Land Improvement Loans' Regulation No IV of 1890. The Deputy Commissioner stated that the Jodi Village which would be hypothecated for the loan, was worth Rs 6000/.

⊗ Vide order No 5775/201 dy 22nd August 1890.

* Vide No 901 dy 12th May/94.

in its present state & when the tanks are restored its value would raise to Rs 12000/- & that though all the Vrittidars apply for 5,000 Rs. to meet the estimated cost of Rs 5243/- repayable in 20 years at ⊗ Rs 250/- per annum with interest, he would, considering the present liability of the 2 1/2 Vrittis (on which there is a debt of Rs 407 still due) recommend the advance of Rs 4,000/- as per Rule 23 of the rules issued under Notification No. D 70 A dt 4th January 1892, the interest being fixed at 5 per cent per annum owing to poverty of the Inamdars.

⊗ as per rule 26 of the rules dt 4th January 1892.

4: In calling for a detailed report, the Deputy Commissioner was asked to state whether

× Vide docket No 4392 R 603 dt 6th September 1901.

ascertains the wishes
of the Inamdars with
reference to the Estimates
revised by the Executive
Engineer and submits
definite proposals on
the subject.

Submitted for orders.

14/5/95

The Inamdars pray that
the two tanks may be
repaired by Govt and
the cost of repairs treated
as a loan. They say
that they are unable
to supplement the loan,
if it should fall short
of the estimated amount
required for the repairs
of the tanks and that
they do not want the
loan in case it is less
than the required amount

the actual cost
of restoring the
tank including
unavoidable
Excesses on accy

item of Estimate during execution of work and that provision should be made by Govt. for Metalling of earthwork as this item is not included in the Estimate already Submitted.

As the loan of Rs 4000/- is not likely to be sufficient for the restoration of the Akkulapur Tank, the Estimated cost of which is Rs 4290, without any provision for turfing &c., the point for consideration is, whether the Government would be prepared to advance all the excess Expenditure that may be incurred by the D.P.W on the same conditions on which the loan of Rs 4,000/- is proposed to be granted,

and

if so, whether a Mutchellika should not be taken from the Jodidars binding them to all the conditions that may be prescribed by the Dy Commissioner in communication with the Executive Engineer as regards the undertaking of the work by the Govt agency. The question of giving the contract to the Jodidars in preference to Strangers ~~in~~ has also to be considered.

Submitted for orders.

Translation of Amildar's reports.

N° 47 of 15-11-87.
N° 3 of 21-4-88
N° 30 of 9-6-88

With reference to the Deputy Commissioner's orders noted in the margin, forwarding the Estimates of the Akalapura & Hamsandahalli Tanks received from the Executive Engr., the Amildar of Maddagiri reports as follows:-

Amil's Report N° 43 dated 21-1-88.

The deposition taken from the Euamdars is submitted herewith: the Euamdars' prayer is that the tanks may be repaired at Govt. Cost and that a water cess at the rate of 4 Rs per acre be levied from them, and the money thus recovered may go

towards the recoupment of the amount spent on repairs of their village Tanks: they further agree to pay interest at the rate of 4 per cent.

As the Tanks belong to an Enam village, no adikat accounts for these Tanks are available in the Taluk Records: The Enamdars say that the total extent of irrigable land under the Tanks is 500 acres; that they are unable to pay interest; but that, if payment of interest is insisted upon, they agree to pay the same at the

Report No 10 of 27-2-88

General No. 901
No.

Recommending a loan of 4000 ~~Rs~~ to the Jodidars of Kamsandra village in the Maddagiri Taluk under the Land Improvement Act. —

Note Submd
C. 11/6/94

Rev: 15/5/94

the present reference. —

3. Loans of this kind are at present granted as per Rules published under Government Notification No. D 70 A dated 4th January 1892. Enquiry has therefore been made in accordance therewith. —

4. The Godi village which will be hypothecated for the loan asked is estimated at 6,000 Rupees in its present state. If the tanks be repaired, its value is believed to rise to 12,000 Rupees. It has been divided into Vrittis and all the Vrittidars have agreed to repay the loan in 20 years (as provided for in rule 26 of the said Notification) at the rate of 250 Rupees per annum together with the interest that may be charged on the amount. Two and a half Vrittis have now been hypothecated for 807 Rupees, of which 400 Rupees

have already been repaid.

5. The amount of the estimates prepared by the Executive Engineer for the repair of the tanks of the Applicants Comes to 5,243 Rupees. The Applicants pray for a loan of 5000 Rupees. Considering that the present value of the village is 6,000 Rupees and there is a sum of Rupees 407 due on two and a half Vrittis thereof, I ~~Consider~~ think that only 4,000 Rupees may be advanced as rule No. 23 in the said Notification of January 1892 says that the value of the property hypothecated should be equal to the amount advanced plus 1/4th thereof. Interest is Chargeable at 6 Rupees per cent per annum as per rule 24 of the above Notification, or at any lower rate. "

I recommend that, as the

Jodidars are poor persons interest
at 5 per cent per annum may
be charged. —

6. The estimates prepared by
the Executive Engineer are here-
with submitted for perusal —
and obliging return. —

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner.

and decision duly recorded.

2. The Estimates sent were prepared so long ago, that it is doubtful whether they would answer present requirements.

3. The reason assigned for a lower rate than the prescribed rate of interest is not sufficient

4. A further report should be submitted if necessary, with reference to the foregoing remarks

5. The Enclosure of the Dy Commrs report are returned.

Deputy Commissioner's office
Tumkur District
Tumkur 18th December 1895

To

The Revenue Secretary to the
Government of Mysore

Sir,

In reply to your docket
No 4258 / R 1659 of the 2nd ultimo calling
for report on the subject of the
loan applied for by the Jodidars
of Kamsamahalli in the Maddagiri Taluk, I have the honor to
submit herewith the statement of
five of the 11 Jodidars taken by the
General Assistant Commissioner
before whom they appeared at
Maddagiri on the 6th December 1895
from which it will be seen that they
desire to get the bigger of the two
tanks in the village viz, Ak Kalapura
Tank repaired first. The Estimate prepared

by the Executive Engineer for this work is Rupees 4290/-, which is nearly equal to the amount which the Government is prepared to advance.

2. The Jodidars beg that the time for repayment of the loan may be extended to 20 years. I would strongly recommend this concession being granted.

3. The Jodidars further propose to place the amount of the loan at the disposal of the Government and beg that arrangements may be made to have the work of restoration carried out through the agency of the D. P. W. I have written to the Executive Engineer to enquire if this request could

be complied with, provided that the cost of supervision at a specified per centage on the amount of the Estimate is paid by the Jodidars. There is much truth in the Jodidars statement that for divers reasons they are unable to have the work carried out themselves.

I have the honor to be

EV

Executive Engineers Office
Tumkur District
Dated 21st December 1895

No 1576. Cartas C.T.B.

From

The Executive Engineer
Tumkur Division

To

The Deputy Commissioner
Tumkur District.

Sir,

I have the honor to acknowledge receipt of your No 148 dated 18th December 1895 regarding the carrying out of the work to the Jodi Ramsanhalli and Aklapura Tanks of the Maddagere Taluk by Government agency. There can be no objection to carry out work by department Public Works if funds are placed at their disposal. I think you have to address the Government in the General Department to place the funds at the disposal of the Department Public Works.

It is stated in the letter under reply that the loan is for Rs 4000. I think the estimates sent by me to you with my No 1421 dated 6th November 1894 for the two Tanks come to more than Rs 4000. Besides this, the turfing of earthwork was being done by ryots at the time the estimates were prepared. So no provision was made

in

in the estimates for this item. This has now to be done by Government - If the Revenue Department agree to recover the actual cost of restoring the Tanks including unavoidable excesses on any item of estimate during execution of work, the Public Works Department can have no objection to carry out the work. If any of the Jodidars agree to take the Contract, he will of course be preferred to an outsider.

I have &c.
